Resource Guide (CRG) _____

Total Monthly Payment _____

Credit card charges & renewals: First payment may be charged day of order. Subsequent credit/debit card charging is the tenth of the month prior to publication unless pre-approved for another date. **\$10 Late Fee will be imposed if your automatic payment is unavailable on your charge date.** Charge confirmations will appear on your card statement and email confirmations are sent, if valid email address is provided. Agreements may be renewed automatically and will be based on the rates in force at the time of renewal. To cancel renewal, notify us in writing at least one month before the end of your agreement term. Thank you.

Breached Agreement i.e. in the event advertiser is in breach of the agreement, the publisher shall charge the difference between the one month rate of advertising and the contracted rate for each month an ad was placed and a 25% administrative fee of the one month rate and thereafter the Agreement is deemed to be null and void. Should this become a collection problem, the client assumes all reasonable costs of collection, including, but not limited to court costs, interest and legal fees.

Formatting for Offset Press-Ready Ads

If you are providing a print-ready digital file, your ad must be submitted using the following specifications:

1) Press-ready Adobe Acrobat® PDF file; PDF/X1a is the preferred file preset. Compatibility should be set for Acrobat 4 (1.3). Please "flatten" all files with fonts embedded before saving. Export from InDesign or Quark Express as 'Press Quality'.

2) Press-ready JPG & EPS files are accepted. Save Adobe Illustrator files as EPS with embedded photos & art. All fonts converted to outline. Save Adobe Photoshop files as flattened JPG, 300 dpi, in CMYK. 100% black text should be the top layer before flattening so it will overprint any background.

3) Layout:

- Build ads to exact size dimensions, only full page bleed ads require 1/4th inch beyond the trim area on all four sides
- Do not add printer's crop marks to any file
- Use high resolution images, 300 dpi for photos and 1200 dpi for non-vector line art is recommended
- All files must be CMYK. Do not use spot, RGB or LAB colors.
- Do not embed ICC profiles in images
- Avoid scaling images. If necessary, stay within 50%-150% range
- Flatten all transparent objects at a high resolution. Avoid placing transparent object over text or other critical vector objects
- Total ink coverage shouldn't exceed 280%
- Files should be right-reading, portrait mode, 100% to size with no rotations

4) Fonts:

- All fonts must be embedded and/or attached.
- Ensure all black text is 100% black (no rich black).
- Set all black text to OVERPRINT color backgrounds
- Ensure all reverses and colored text are 10 pt or larger, using a thick font.

No computer-printed material or website images will be accepted.

Microsoft Word, Publisher or Canva files will not be accepted for print-ready ads.

Emailed files must be under 15 MB.
