POZHALOVAT VĀŁKOMMEN / My dual discipline
involves a fascinating blend of two key elements:
Interdisciplinary Explorations: embracing a cross-
disciplinary approach, a willingness to draw
inspiration and techniques from various fields,
creating a more holistic and integrated artistic
practice. Creative Use of Custom Mixed Media
Programs: custom mixed media programs highlight
a technological and innovative aspect to your
artistic process. Involving the development &
customization of software tools to suit my specific
artistic vision, allowing for a unique and
personalized creative process. New Conceptual
Abstract Ultra-Contemporary Arts: My focus is on a
new conceptual abstract ultra-contemporary art a
forward-thinking and cutting-edge approach, not just
creating art for the sake of tradition but actively
engaged in pushing boundaries and exploring the
forefront of contemporary artistic expressions.
RIKXECOM's dynamic and forward-looking artistic
practice combines traditional and digital elements,
spanning various disciplines to create a unique and
innovative body of work.
