★ **AAAHC Accredited** — one of fewer than 80 AAAHC-accredited clinics of our type in Florida ★

Harness your body's own healing power with Advanced PRP (Platelet-Rich Plasma) therapy at Continuum Injury & Wellness Center, a physician-led, AAAHC-accredited clinic in Fort Lauderdale. Led by Medical Director Dr. Tad DeWald, MD — dual board-certified in Physical Medicine & Rehabilitation and Sports Medicine — this non-surgical treatment uses your own concentrated healing factors, delivered via ultrasound-guided injection, to repair damaged tissue and reduce chronic pain. Commonly treated conditions include tendonitis, rotator cuff injuries, knee and hip osteoarthritis, plantar fasciitis, and chronic back and neck pain. Includes consultation, PRP preparation, ultrasound-guided injection, and post-procedure protocol. No insurance required; FSA/HSA accepted.
